Catch Costa in our Community!

Sarina Landcare Catchment Management Association (SLCMA) is inviting community members along to the ***Sarina Community Day***, with guest speaker Costa Georgiadis (host of ABC's Gardening Australia). The Sarina Community Day will be held between 10am and 1pm on Saturday 7 September at the Sarina Community Native Gardens; Corner of Beach and Cemetery Roads, Sarina.

Come along and be inspired by Costa Georgiadis with an informative talk about sustainable food production in your backyard and utilising space and, join in the guided tours of the *Sarina Community Native Gardens* to see the benefits and uses of native plants in your garden.

If that is not enough, hear about the journey of the *Sarina Community Native Gardens* during the official launch by Mackay Regional Council Mayor, Cr Deirdre Comerford and Costa followed by the announcing of the winners of the *Sarina Native Garden Competition*.

There will be lots of fun for the whole family with stalls and displays from community groups and local organisations including: *Mobile Aquaponics, Landcare, Mackay Community Gardens, Conservation Volunteers Australia, Mackay Regional Pest Trailer, Society for Growing Australian Native plants and much much more...*including food and coffee stalls, so you wont go hungry!

We look forward to seeing you there. For more information, contact SLCMA on 4956 1388.
